At James Cook University, we acknowledge the Australian Aboriginal and Torres Strait Islander peoples of this nation. We acknowledge the Traditional Owners of the lands on which our campuses and study centres are located and where we conduct our business. We pay our respects to ancestors and Elders, past, present and future. JCU is committed to honouring Australian Aboriginal and Torres Strait Islander peoples' unique cultural and spiritual relationships to the land, waters and seas and their rich contribution to JCU and society

attributes. The JCU Graduate Research School (GRS) therefore makes available a flexible skills development program intended to provide a framework for skills acquisition. A JCU PhD creates highly capable graduates, ready for a variety of workplaces. Candidates, in consultation with their advisors, will be supported to undertake professional development activities that will ensure they are well equipped for careers in the knowledge economy and that accord with our BR Graduate Attributes. Attainments as part of RD7003 Professional Development are recorded on the Australian Higher Education Graduate Statement (AHEGS), enabling future employers to see the nature and scope of professional development undertaken by the candidate. Please note that RD7003 Professional Development is only a requirement for PhD candidates. MPhil candidates should refer to the subject

As part of PreCompletion, candidates compile a Career Statementhinchwhey reflect upon their professional development activities by writing a document that could be used as part of a future Curriculum Vitae. This statement forms part of RD7003 and is required for the subject to be completed statement will ask cardidates to discuss their PD in light of the HDR Graduate Attributes (see below).

1.5.1 FixedComponent

All Fixed component activities may be undertaken either via live Zoom sessions or through online modules and are booked and undertaken via SkillsJCU. Fixerponent activitie S9 (a)-3.2 (c)0.8 (l)-14.1 (u)-0.7 (d)-0.8 (e,)6 (t)4b

- Research ethics workshops required to obtain required human or animal ethics approvals for the research;
- 'StatsHelp' program preequisites (or online equivalents); and
- Specialised training at the JCU Adverhanalytical Centre or the Marine and Aquaculture Research Facilities (MARF)

1.5.3 Teaching

Candidates may count new tertiary teaching (lecturing and tutoring), for which they are being mentored. Note that subjects that the candidate has taught prior to Phroment may not be counted. However, if the candidate is being mentored by an academic, they may count the contact hours that they have taught as part of the 40 hour Flexible component dRD7003 or the Recommended component This information will be formally recorded on the AHEGS at graduation.

1.5.4 Leadership and Initiative

Candidates may choose to complete their Flexible component under the Leadership and Initiative categoryencourages candidates to engage in professionally beneficialtimustidiuring candidature, and have these formally acknowledged on their Australian Higher Education Graduation Statement (AHEGS). Candidates may
