Duration:	3 years full time (120 credit points) <sup>*</sup>
ATAR:	90
Prerequisites:	12 units (60 / 12)
Recommended:	12 units (60 / 12) including: 12 units (60 / 12) including: 12 units (60 / 12)

\* Full time students will complete 120 credit points over 3 years. Part time students will complete 120 credit points over 4 years.

*“Doing my three-week placement in Weipa drew me to becoming a rural and remote nurse and giving back to my people. By being situated in a place like Weipa, I was able to have a more hands-on experience: applying cultural competencies and applying competent nursing skills to my people. This made me feel like I was making a real difference in giving back, just as a student nurse. This made me realise my potential as a future registered nurse.”*

Ivy Hodges

BACHELOR OF NURSING SCIENCE
