# Bachelor of Science

✔ Develop your passion for innovation and make a genuine difference to your community and the environment. Undertake real-world research in unrivalled locations including the World-Heritage listed Great Barrier Reef, the Daintree Rainforest and dry savannahs.

✔ Access state-of-the-art research and teaching facilities, like JCU's The Science Place. Experience a leading-edge education and connect with world-class researchers.

✔ JCU students have the opportunity to tailor their degree to suit their passion. Learn the fundamentals of science in your first year, then select one or two specialisations to continue to build knowledge and skills in your chosen discipline. Expand your knowledge by choosing to study a minor or include elective subjects in your degree. Throughout your degree, you will develop key employability skills in your chosen science discipline.

Locations: Cairns, Townsville

Semesters: February, July

Duration: 3 years full-time, part-time to 6.5 years

*“JCU has a great range of facilities which have allowed me to collect*

*“JCU is recognised globally for its excellence in research in several programmes, providing students with access to global leaders in their field that are making a difference. Our small class sizes provide students with access to lecturers who genuinely care about their progress and their studies. Our programmes are also embedded with work-integrated learning, making JCU graduates highly sought after in the workforce. The campus in Cairns is beautiful, which creates a lovely environment in which to teach and research. It also helps generate a relaxed atmosphere that encourages conversation and helps promote the learning experience.”*

# JCU Accommodation

Study and live in some of the most interesting places in the world. Cairns and Townsville are on the doorstep of the Great Barrier Reef, magnificent rainforests, the savannah region and Outback Australia.

Living on campus is a great way to make the most of your time at JCU. JCU Townsville, Bebegu Yumba campus, Douglas, has five different accommodation options housing over 1,300 students. JCU Cairns, Nguma-bada campus, Smithfield, features an accommodation complex for 300 students. Living on campus is a great place to make new friends and immerse yourself in the JCU culture. All rooms at our on-campus residences are single occupancy, with a single bed, study desk, chair, fan, air-conditioning and Wi-Fi. Each residence is different in regards to style of living, culture and atmosphere. There are options for fully catered or self-catered housing. Find out more at [jcu.edu.au/accommodation](#)
