Intensive/Block Study Periods

What are block/intensive study periods?

Enrolling in block mode subjects offers flexibility and can help you fast-track your studies by cutting down on time. A block mode subject is equivalent to subjects offered over the 13 week period, except they are delivered over a more intensive time period. Usually block mode subjects are taught in the semester break over a two week period with classes scheduled five to six days each week from 9.00am to 5.00pm.

Step 3: This will list all the subjects available on your campus. You then need to choose one that fits the requirements in your Study Plan.
