JAMES COOK
UNIVERSITY
AUSTRALIA

DIPLOMA OF HIGHER EDUCATION

✔ Gain a one-year university qualification while opening up your pathway into many JCU Bachelor degrees. The Diploma of Higher Education is recognised as a stand-alone qualification designed for students who don't meet the entry requirements of a Bachelor degree.

✔ Study a variety of introductory and first-year degree subjects, designed to help you build core knowledge and foster skills of academic enquiry. Benefit from a specific study plan created to suit your chosen major. Benefit from dedicated support staff and the award-winning JCU Learning Centre.

✔ Receive the foundational skills and knowledge to enter your target Bachelor degree. Graduates who successfully complete JCU's Diploma of Higher Education meet the entry requirements to enter into many JCU Bachelor degrees.

There is a wide variety of majors to choose from:

Business

“I’m so happy that I went for the Diploma of Higher Education as it better prepared me for study. The lecturers and tutors have been so approachable, and the coursework has been designed to support your entry to academia. My peers were from a variety of backgrounds so everyone brought something to the table.”
